

American Canyon High School

Welcome to American Canyon High School! Enclosed you will find your student's registration information. **Once your student has been to all stations he or she will be given his/her schedule at the time of registration. Bring completed Registration Packet (including proof of residence and proof of Pertussis Shot) with you to Registration.**

Course Placement: In some cases, we had to place your student in one of their alternate courses because of course conflicts. All students were placed in five required core courses and, in some instances, six required core courses. This allowed them to select one or two electives.

Honors Credit: Students have the option to receive Honors credit in English and/or Geography through their regular college preparatory course. Students will have this option during the first two weeks of school, and their transcript will be changed to indicate enrollment in an Honors course.

Schedule Changes: Student schedules will only be changed for the following reasons:

1. Student was placed in the wrong level of a course by a teacher – this does not include students who choose to take an AP or Pre/AP Honors class.
2. Student failed a pre-requisite course.
3. Student is unable to participate in a course due to health reasons which are documented by a physician.

We have included a list of important dates for upcoming events related to the start of school. During the student registration times listed below, photo/ID cards will be created and students will make fee payments, check-out textbooks, and turn in completed student information forms. **Please bring fee sheet along with payment to registration along with all other forms included in this packet.**
